

Technical Information:

- Solid brass body provides strength and protection against forced attacks and outstanding resistance to the elements
- Boron alloy steel shackle resists cutting and pulling attacks
- Hardened stainless steel shackles available for enhanced corrosion resistance
- Thermoplastic body cover and cylinder dust cover on all models resist chemicals, water, heat, and scratching
- Weather seals around shackle legs prevent dirt, dust, water, and other contaminants from entering the padlock
- Solid cast iron shackle guard to protect against bolt cutter attacks provides maximum shackle protection on shrouded models. Shrouded models do not include weather seals
- Standard body padlocks use 6 Pin key-in-knob type cylinders
- Hockey Puck style padlocks use 5 Pin key-in-knob type cylinders

Warranty:

- Warranted for two years against manufacturing defects.
- See Medeco Limited Warranty for full details
